Plaintiff is entitled to use these pseudonyms to prosecute this action because the matters involved in this action are of a highly sensitive and personal nature and the right of Plaintiff and her daughter to privacy with respect to those matters outweigh any other interest that may exist.

2.

Plaintiff Jane Doe I is a citizen of the United States and she resides in Bibb County, Georgia.

3.

Plaintiff Jane Doe I is the parent and natural guardian of Jane Doe II.

4.

Plaintiff Jane Doe I is bringing this action in her individual capacity and on behalf of her daughter Jane Doe II.

5.

Jane Doe II resides in Bibb County, Georgia.

6.

Defendant Bibb County School District (“the School District”) is a corporate body having its principal place of business in Macon, Bibb County, Georgia.

Facts

9.

The School District is an “educational program or activity receiving Federal financial assistance...” within the meaning of Title IX of the Education Amendments of 1972, 20 U.S.C. § 1681(a) (“Title IX”).

10.

The School District, by and through its Board of Education, has established and it operates and maintains the public school system for school-age children in Bibb County, Georgia.

11.

Northeast High School is one of the schools in the public school system established, operated and maintained by the School District.

12.

Jane Doe II is a member of a class that is protected by Title IX. She is a female.

13.

Jane Doe II suffers from mental and emotional disorders. Specifically, Jane Doe II suffers from schizophrenia and she has a long history of problematic anxiety which is pervasive in nature and moderate to severe in intensity. Jane Doe II also suffers from an “intellectual delay.” “Intellectual delay” is a disorder that was formerly termed “mental retardation.”

14.

On January 19, 2012, Jane Doe II was a special education student at Northeast High School.

15.

Jane Doe II’s chronological age on January 19, 2012 was 16. Her mental age at the time, however, was only nine (9).

16.

Because of her mental and emotional disorders, Jane Doe II has been declared incompetent judicially.

17.

As of January 19, 2012, the School District had a policy, practice and custom of failing to provide adequate training or guidance to the teachers at Northeast High School with respect to student safety.

18.

On January 19, 2012, Oslynn Brown was employed by the School District as a teacher at Northeast High School. Ms. Brown's first day of work for the School District was January 6, 2012.

19.

Consistent with its policy, practice and custom, the School District failed to provide Ms. Brown with any training or guidance with respect to student safety.

20.

As of January 19, 2012, it was a policy, practice and custom of the School District for teachers to use students to summon students from other classrooms. It was also a policy, practice and custom of the School District for teachers to allow students who were so summoned to leave their classrooms with the student that summoned them.

21.

On January 19, 2012, Jane Doe II was a student in Ms. Brown's fourth block class.

22.

On January 19, 2012 during Ms. Brown's fourth block class, a male who was unknown to Ms. Brown appeared at Ms. Brown's classroom and falsely told her that another teacher needed Jane Doe II. Consistent with the School District's policy, practice and custom, Ms. Brown

allowed Jane Doe II to leave the classroom with the male even though Ms. Brown did not know him.

23.

After getting Jane Doe II from Ms. Brown's classroom, the male led Jane Doe II to a boy's restroom inside Northeast High School. Upon reaching the boy's restroom, the male forced Jane Doe II inside where he and at least five (5) other males brutally raped and sodomized Jane Doe II.

24.

The males that raped and sodomized Jane Doe II at Northeast High School on January 19, 2012 were also students at Northeast High School.

25.

The males that raped and sodomized Jane Doe II at Northeast High School on January 19, 2012 were members of a gang known as "MOB." "MOB" is an acronym for "Money over Bitches."

26.

The males that raped and sodomized Jane Doe II at Northeast High School on January 19, 2012 were known by the administration, faculty and staff of Northeast High School to be members of the gang known as "MOB."

27.

The sexual violence that Jane Doe II was subjected to on January 19, 2012 constituted "sexual harassment" within the meaning of Title IX.

28.

The sexual violence that Jane Doe II was subjected to on January 19, 2012 was not welcomed by Jane Doe II. Jane Doe II lacked the capacity to welcome such violence.

29.

The sexual violence that Jane Doe II was subjected to on January 19, 2012 had the effect of unreasonably interfering with Jane Doe II's education.

30.

The sexual violence that Jane Doe II was subjected to on January 19, 2012 created an intimidating, hostile, and offensive educational environment that seriously affected the psychological well-being of Jane Doe II.

31.

As a result of the sexual violence that Jane Doe II was subjected to on January 19, 2012, Jane Doe II has been forced to leave the School District's traditional school program. To the extent she is being educated, Jane Doe II is now being educated at her home.

32.

As a result of the sexual violence that Jane Doe II was subjected to on January 19, 2012, Jane Doe II has been denied equal access to the School District's resources and opportunities.

33.

There were numerous incidents of sexual harassment of female students by male students at Northeast High School before January 19, 2012. Those incidents included, but were not limited to, the following:

(a) On April 11, 2002, a female student was raped and sodomized by three (3) male students in a restroom at Northeast High School; and

(b) On April 8, 2008, a female, mentally-disabled student was raped by a male student in a classroom at Northeast High School.

34.

Officials of the School District who had the ability to take measures to end sexual harassment of female students at Northeast High School had actual knowledge of the sexual harassment of female students by male students at Northeast High School and its severe nature before January 19, 2012. Indeed, just two months before Jane Doe II was raped and sodomized, the School District's Board of Education, upon the recommendation of its Superintendent, agreed to pay \$67,000.00 to settle the claims arising out of the April 8, 2008 rape of the female, mentally-disabled student referred to in the preceding paragraph. The School District, however, took no action thereafter to end sexual harassment of female students at Northeast High School.

35.

Despite its actual knowledge of the sexual harassment of female students by male students and its severe nature before January 19, 2012, the School District was deliberately indifferent to the harassment and failed to respond appropriately.

36.

Officials of the School District who had the ability to take measures to end sexual harassment at Northeast High School had actual knowledge of the sexual violence Jane Doe II was subjected to on January 19, 2012 after it occurred.

37.

Despite its actual knowledge of the sexual violence Jane Doe II was subjected to on January 19, 2012, the School District was deliberately indifferent to the sexual harassment and failed to respond appropriately.

38.

As of January 19, 2012, the School District had a policy, practice and custom of failing to appropriately discipline students.

39.

For example, just prior to January 19, 2012, some of the male students that brutally raped and sodomized Jane Doe II had committed felony theft at Northeast High School. While the School District's Code of Conduct provides that these students should have been removed from Northeast High School, they were not. Rather, they were permitted to remain at Northeast High School.

40.

Consistent with the School District's policy, practice and custom of failing to appropriately discipline students, the School District failed to take any disciplinary action against the male students that raped and sodomized Jane Doe II on January 19, 2012 because of their rape and sodomization of Jane Doe II on January 19, 2012.

41.

. While the School District failed to take any disciplinary action against the male students that raped and sodomized Jane Doe II on January 19, 2012, the School District attempted to expel Jane Doe II from school because, the School District charged, Jane Doe II "engaged in/or had knowledge of sexual misconduct on campus." The School District's Individual Education Program Team for Jane Doe II (the "IEP Team") considered the charges the School District made against Jane Doe II on March 8, 2012 in accordance with federal law. The IEP Team did not determine that Jane Doe II had engaged in the conduct with which she had been charged by the School District. However, the IEP Team did determine that, even if Jane Doe II had engaged

in that conduct, any such conduct by Jane Doe II under the circumstances would have been “caused by, or [would have] had a direct and substantial relationship to,” Jane Doe II’s disability. As a result of the IEP Team’s determination, the disciplinary proceedings the School District initiated against Jane Doe II were terminated.

42.

The School District was deliberately indifferent to the sexual harassment of female students by male students at Northeast High School and the threat posed by the male students that raped and sodomized Jane Doe II.

43.

The acts of the School District constituted an intentional and unjustified violation of Jane Doe II’s bodily integrity.

44.

As a direct and proximate result of the School District’s wrongful conduct, Jane Doe II suffered serious injuries including physical injuries, extreme indignities and humiliation, severe emotional distress, mental anguish, loss of liberty, and a complete violation of that which she considers most sacred and personal. Jane Doe II will continue to suffer such injuries in the future. Jane Doe II has received treatment from medical doctors and other health care professionals for the serious physical, emotional, and mental injuries she sustained and will continue to require such treatment in the future. Jane Doe I has incurred and will continue to incur medical expenses in connection with the treatment Jane Doe II has received and Jane Doe I has lost income and will continue to lose income in the future as a direct and proximate result of the School District’s wrongful conduct.

45.

The School District is responsible for the injuries Jane Doe II has suffered and will suffer in the future as a result of the incident at issue as well as the medical expenses and lost income Jane Doe I has incurred and will incur in the future as a result of Jane Doe II's injuries and the School District's wrongful conduct.
